

# Do You Really Want To Hurt Me?

[Diana King](#)

Won't you give me some time to realize my crime

Let me love you steal

I have danced inside your eyes

How can I be real?

You wanna hurt me now, baby

Do you really want to hurt me?

Do you really want to make me cry?

Precious kisses, words that burn me

Lovers never ask you why

In my heart the fire's burning

Choose my color, find a star

Precious people always tell me

That's a step, a step too far

Tell me

Do you really want to hurt me?

Do you really want to make me cry?

Do you really want to hurt me?

Do you really want to make me cry?

Words are few I have spoken

I could waste a thousand years, yeah

Wrapped in sorrow words are token

Come inside and catch my tears

'Cause you've been talking but believe me

And if it's true you don't know

This boy loves without a reason

I'm prepared to let you go

Tell me

If it's love you want from me

Then take it away

Everything is not what you see

It's over today

Do you really want to hurt me?

Do you really want to make me cry?

Do you really want to hurt me?

Do you really want to make me cry?

Oh don't make me cry

Don't make me cry

Don't make me cry

Do you really want to hurt me?

Do you really want to make me cry?  
Wanna make me cry, do you baby?  
Do you really want to hurt me?  
Do you really want to make me cry?  
You wanna make me cry  
You wanna make me cry  
You wanna make me cry  
Do you really want to hurt me?  
Do you really want to make me cry?
