

# Teardrops Will Fall

Wilson Pickett

I read your letter  
Tears filled my eyes  
All of your promises failing  
Nothing but lies  
So I turned your photograph over face to the wall  
And when I dim the light in my room tonight  
Teardrops will fallTeardrops will fall tonight  
Tears I can't hide  
Tears that I tried to keep deep down inside  
Tears from the love that's gone beyond recall  
And when I dim the lights in my room tonight  
Teardrops will fallI'm going to pray tonight baby  
Hoping you will hear  
Maybe you'll right the wrong and dry each tear  
I'll sit alone tonight hoping you will call  
And when I dim the light in my room tonight  
Teardrops will fallTeardrops will fall tonight  
Tears I can't hide  
Tears that tried to keep deep down inside  
Tears from the love that's gone beyond recall  
And when I dim the light in my room tonight  
Teardrops will fall  
When I dim the light in my room tonight  
Teardrops will fall
