

In the Dark (Remastered)

Billy Squier

Life isn't easy from the singular side
Down in the hole some emotions are hard to hide
It's your decision, it's the chance that you take
It's on your head, it's a habit that's hard to break
Do you need a friend, would you tell no lies
Would you take me in, are you lonely in the dark
In the dark
In the dark
In the dark
You never listen to the voices inside
They fill your ears as you run to a place to hide
You're never sure if the illusion is real
You pinch yourself but the memories are all you feel
Can you break away from your alibies
Can you make a play, will you meet me in the dark
In the dark
In the dark
In the dark
In the dark
In the dark, ah ah ah
Don'tcha need me, hey, hey
Don'tcha need me, oh yea
Don'tcha need me, hey, hey
Don'tcha need me, oh yea
You take no interest, no opinion's to dear
You make the rounds and you try to be so sincere
You guard your hopes and you pocket your dreams
You'd trade it all to avoid an unpleasant scene
Can you face the fire when you see me there
Can you feel the fire, will you love me in the dark
In the dark
In the dark
In the dark
In the dark
In the dark
In the dark
In the dark
In the dark, ah ah ah ah
