

Tell Me

Bill Gaither Trio

Tell me, baby is it yes or no?
You've got a face that just don't show what's going on inside
 Tell me, I swear I'll take it on the chin
 Don't sugarcoat where I fit in, what's going on?
 Inside you there's a room, a room with a door
 I finally come knocking and I've been here before
 Oh, I've got this love for you but what is it for?
 If you can hear me then tell me
 Last chance, hold me in your arms and say
 If you want this love to walk away
 Tell me and I'll say goodbye
 Inside you there's a room, a room with a door
 I finally come knocking and I've been here before
 Oh, I've got this love for you but what is it for?
 If you can hear me
 I'll make it easy, I'm counting to three
 Am I something you want or someone you need, baby?
 Tell me that you want me, tell me that you love me
 Tell me, darling won't you tell me?
 I'm begging you to tell me
 Tell me and I'll say goodbye
