Territorial Pissings

New Politics

When I was an alien
Cultures weren't opinions
Gotta find a way, a better way, a better way
Gotta find a way, a better way, a better way
Never met a wise man
If I did, it was a woman
Gotta find a way, a better way, a better way
Gotta find a way, a better way, a better way
Gotta find a way, a better way, a better way
Gotta find a way, a better way, a better way
Just because you're paranoid
Don't mean they're not after you
Gotta find a way, a better way, a better way
Gotta find a way, a better way, a better way
Gotta find a way, a better way, a better way
Gotta find a way, a better way, a better way
