

Whenever You Call (feat. Brian McKnight)

Mariah Carey

Love wandered inside
Stronger than you
Stronger than I
And now that it has begun
We cannot turn back
We can only turn into one I won't ever be too far away to feel you
And I won't hesitate at all
Whenever you call
And I'll always remember
The part of you so tender
I'll be the one to catch your fall
Whenever you call And I'm truly inspired
Finding my soul (finding my soul)
There in your eyes (there in your eyes)
And you
Have opened my heart (have opened my heart)
And lifted me inside
By showing me yourself
Undisguised And I won't ever be too far away to feel you
And I won't hesitate at all
Whenever you call
And I'll always remember
The part of you so tender
I'll be the one to catch your fall
Whenever you call Oh
And I will breathe for you each day
Comfort you through all the pain
Gently kiss your fears away
You can turn to me and cry
Always understand that I
Give you all I am inside I won't ever be too far away to feel you
And I won't hesitate at all
Whenever you call I won't ever be too far away to feel you
And I won't hesitate at all
Whenever you call
And I'll always remember
The part of you so tender
And be the one to catch you fall

Whenever you call, oh yesOh, whenever you call, whenever you call
