

Yours

Brian McKnight

Oh, I want to be yours
Oh yeah, let's keep that record going
[Incomprehensible]Heart of mine, I'm sure you'll agree
We've never been in love before, honestly
I think she's the one and the lady for me
I know she feels the same way sincerelyGirl you're on my mind always
Come feel my nights and my days
You make me so crazy
Darling you know I wannaI want to be yours
I long to be forever yours
I want to be yours
I want to be yoursEvery night I go to sleep
I wantcha layin' next to me truthfully
I need ya by my side to take care of me
I'm on my hands and knees girlCome on and show me the way to your heart
I'm wonderin' when can we start
Don't make me wait forever
Now that you know I wannaI want to be yours
I need you, I long to be forever yours
I want to be yours
I want to be yoursI want to be yours
I need you, I long to be forever yours
I want to be yours
I want to be yoursI'll be there whenever you call me
I'll be there, just call and I'll come running
I'll be there whenever you need me, I'll be thereShow me the way to your heart
I'm wonderin' when can we start
Don't make me wait forever
Now that you know I wannaI want to be yours
I need you, I long to be forever yours
I want to be yours
I want to be yoursI want to be yours
I need you, I long to be forever yours
I want to be yours
I want to be yoursI want to be yours
I need you, I long to be forever yours
I want to be yours
I want to be yours
