

True Colors (2016 Remastered)

Phil Collins

You with the sad eyes
Don't be discouraged
Oh I realize
It's hard to take courage
In a world full of people
You can lose sight of it all and the darkness,
Inside you makes you feel so small But I see your true colors
Shining through
I see your true colors
And that's why I love you
So don't be afraid to let them show
Your true colors
True colors are beautiful,
Like a rainbow Show me a smile then,
Don't be unhappy, can't remember when
I last saw you laughing
If this world makes you crazy
And you've taken all you can bear
Just call me up
Because you know I'll be there And I'll see your true colors
Shining through
I see your true colors
And that's why I love you
So don't be afraid to let them show
Just show your true colors
True colors are beautiful,
Like a rainbow Such sad eyes
Discouraged now
Realize When this world makes you crazy
And you've taken all you can bear
Just call me up
Because you know I'll be there And I'll see your true colors
Shining through
I see your true colors
And that's why I love you
So don't be afraid to let them show
Just show your true colors
True colors, true colors 'Cause there's a shining through
I see your true colors

And that's why I love you
So don't be afraid to let them show
Your true colors, true colors
True colors are beautiful,
Beautiful, like a rainbow Yeah, yeah, yeah, yeah, yeah Show me your colours
Show me your rainbow (That's why I love you) Show me your colours
Show me your rainbow
