

Masokissed

The Pains of Being Pure at Heart

Twist your body like your mind,
A constant aversion to forgo perversion
No one notices when you're shut up
Or beat up covertly in places I can't see Eternally, internally you are free,
Though they try to chain you,
You don't mind Eternally, internally you are free,
Even if they shame you,
Would you mind, when you're mine Sweet masokissed in the morning mist
Why would you ever leave this place,
When all I need is your chip-toothed smile to know that
Life's more than ok? Sweet masokssed if it came to it,
Would you go all the way?
'Cause that's what Jesus did, but I don't care for him
And I want you here to stay Don't set me free
