

Regeneration

ApologetiX

Parody of "My Generation" by the WhoPeople try to put us down (Talkin' 'bout regeneration)

Just because we're heaven-bound (Talkin' 'bout regeneration)

They say dude, your off your b(Talkin' 'bout regeneration)

I know I'll die with a born-again soul (Talkin' 'bout regeneration)

 This is regeneration--this is regeneration, baby

 Why don't you all find the Way (Talkin' 'bout regeneration)

And go to Titus 3:5 and see what it says (Talkin' 'bout regeneration)

 I'm not artificial regeneration (Talkin' 'bout regeneration)

 Just talkin' 'bout regeneration

 This is regeneration-- this regeneration, baby

 Why don't you all find the Way (Talkin' 'bout regeneration)

What John chapter 3 verse 3 does say (Talkin' 'bout regeneration)

And First Peter 1:23 says the same thing (Talkin' 'bout regeneration)

 It's just talkin' 'bout regeneration (Talkin' 'bout regeneration)

 This is regeneration-- this regeneration, baby

 This is not imagination-- this is not exaggeration

 This is not meditation-- this is not vegetation

 If you're tired of puttin' us down (Talkin' 'bout regeneration)

 And you wanna be heaven-bound (Talkin' 'bout regeneration)

Here's what you do to save your soul (Talkin' 'bout regeneration)

Put hope in Christ before you get old (Talkin' 'bout regeneration)

 This is regeneration-- this regeneration, baby

 Re-re-re-re-generation

 This is not imagination-- this is not exaggeration

 This is not meditation-- this is not vegetation

Hope you got reservations-- please do not change the station
