

# Crush On You

## Lil' Kim

Undeas  
Lil' Ceasar  
The bitch pleaser  
Uhh uh, check itYo I be buyin' 'em V's, so all my girls be eyein' Cease  
Comin' backstage, dyin' to get pleased  
You got me, I rock thee, Versace and linen  
While you stop your grinnin' wit bunch of foxy women  
Why you speed ball with cards, that's invalid  
I get clothes, custom made, from a stylist  
Cruise in my Lexus Land with no mileage  
While you walk the street until your feet get callousedTake you on a natural high, like a pilot  
It be all good, toss your clothes like a salad  
When it's all over put your vote in my ballot  
It's my diner, I'm Mel, and you're Alice  
Spend a night, in Lil' Cease palace  
It be all good as long as you don't act childish  
While you standin' there with the Christ in your cup  
If worse come to worse keep this on the hush, uhhI know you seen me on the video  
(True)  
I know you heard me on the radio  
(True)  
But you still don't pay me no attention  
Listenin' to what your girlfriends mentionHe's a slut, he's a hoe, he's a freak  
Got a different girl every day of the week  
It's cool, not tryin' to put a rush on you  
I had to let you know that I got a crush on youWhile you tryin' to catch Sea Breeze, I'm in the PV's  
All chrome D3's, decked out TV's  
CD's with crazy bass, keep my lady laced  
Don't be fooled by the baby face  
I hope ya not, 'cause your thighs got me hot  
Only one plan, that's to rise to the top  
I told you before, when I first pursued  
I want a interlude, in the nudeOr we tastin' like food when we get in the mood  
Listen girlfriend, we don't mean to be rude  
But anything I touch come straight to the rear  
I take chicken heads like the Playmate Of The Year  
'Cause when I first met her, she had the Lex and the 'tegra  
Game real good, sex was even better  
I got it for the cheddar once I hit it in the sack

'Cause I'm Cease A.K.A. Long Dick from the back I know you seen me on the video  
 (True)  
 I know you heard me on the radio  
 (True)  
 But you still don't pay me no attention  
 Listenin' to what your girlfriends mention He's a slut, he's a hoe, he's a freak  
 Got a different girl every day of the week  
 It's cool, not tryin' to put a rush on you  
 I had to let you know that I got a crush on you Yo shorty won't you go get a bag of the lethal  
 I'll be right here just chillin' witcha people  
 You know Junior M.A.F.I.A. was just a preview  
 I know I had you open, so why I'ma leave you  
 Especially when I know yo' man is fee-ble  
 It's Cease Degenaro, you know how we do  
 My game is tight, we do the same every night  
 I'm smooth as the words that come from Frank White You messin' with city kings with glassy rings  
 That's gonna show you good time pretty thing  
 'Cause you was spotted, in the club lookin' exotic  
 By somebody, short, dark and chocolate  
 You got it? Any plans to tape yo we stop it  
 Junior M.A.F.I.A., yeah we all about a profit  
 I'm the right dude to get you in the nice mood  
 Flossin' rocks the size of ice cubes I know you seen me on the video  
 (True)  
 I know you heard me on the radio  
 (True)  
 But you still don't pay me no attention  
 Listenin' to what your girlfriends mention He's a slut, he's a hoe, he's a freak
