Flying

Stevie Brock

Flyin'
Flyin'CHORUS
Flyin' high Flyin' free
We're kids and that's the way that we
want it
Here we go, 1-2-3
You see there's no one that can
stop us
Flyin'Takin' off, we're gonna reach the sky
Get ready 'cause there's nothing that
we can't do
We are the voice of
the nation
You can do anything
you believe in
Your dreams belong to you
Come onREPEAT CHORUSHeadin' out, the crew is ready to fly
Get ready
Nobody's gonna stand in
our way
We are the voice of
the nation
You can do anything
you believe in
Your dreams can
all come true
Come onREPEAT CHORUSBRIDGE
Just believe
(you must believe)
You can do it
(you can do it)
Have no hesitation
We're the coolest generation
Yeah yeah yeahREPEAT CHORUSREPEAT CHORUSFlyin', flyin'
flyin' high, flyin' free
flyin'
flyin' high
Ooh
Flyin'...
