

Never Change (Feat. Sylvia)

Jay-Z

Never, never, never, never, change
Never change, this is Jay everyday
Never change, this is Jay everyday
Never change, this is Jay I am a Roc-Representer
Oh, summer to winter
Oh, dead or alive
twenty four, seven, three sixty five
One CD or 360 pies
What's up to E and Kirk
Welcome home to Taj
But no amount of money ruin, this thing evolves
We run streets like drunks run street lights
We colliding with life as we speak
We knee deep in coke, we keep deep in ice
We flood streets wit dope, we keep weed to smoke
We all fish, better teach ya folk
Give em money to eat, then next week he's broke
Cause when you sleep, he's reaching for your throat
Word on the street, you reap what you sow
Not outta fear, but love, love for the game
Roc-family first we never change, bank
Never, Never, Never, Never, change
I'm still fucking wit crime cause crime pays
I'll never change
Out hustling, same clothes for days
I'll never change
I'll never change, I'm too stuck in my ways
Who you know like Hov
Never, Never, Never, Never, change
I'm still fucking wit crime cause crime pays
I'll never change
Out hustling, same clothes for days
I'll never change
I'll never change, I'm too stuck in my ways
Who you know like Hov
What's up to my Miami and St. Thomas connects
I never mention your name I promise respect
Death before dishonor correct, yep
That's what you promised me, since the bama league
Along with, if we stay strong,
We can get paper longer than Pippens arms
Plead the fifth when it comes to the fam

I'm like a dog I never speak but I understand
Where my dogs at, where my soldiers at war
Where your balls at whoa! Gotta pause that whoa!
Lost ninety two bricks had to fall back
Knockeda nigga of his feet but I crawled back
Had A-1 credit got more crack
From the first to the fifth gave it all back
If I'm not a hustler what you call that
This is before rap, four, this is all fact
I'll never changeNever, Never, Never, Never, change
I'm still fucking wit crime cause crime pays
I'll never change
Out hustling, same clothes for days
I'll never change
I'll never change, I'm too stuck in my ways
Who you know like HovNever, Never, Never, Never, change
I'm still fucking wit crime cause crime pays
I'll never change
Out hustling, same clothes for days
I'll never change
I'll never change, I'm too stuck in my ways
Who you know like HovThe streets robbed me wasn't educated properly
But fuck y'all I needed money for Atari
Was so young my big sis still playing wit Barbie
Young brother big city 8 million stories
Old heads taught me youngin' walk softly
Carry a big clip that'll get niggas off me
Keep coke and coffee keep money smelling mothy
Change is cool a cop but more important its lawyer fees, uh
That's how it is now, uh
That's how it always be, uh
I'll never change this is always me
From the womb to the tomb
From now to my doom
Drink army from one cup pass it around the room
That's the ritual, yup
Big gran I ain't forgot you fool and all that bullshit you
Trying to get through
This is crew love, move music or move drugs
Rival crews get cha black suits up
I'll never changeNever, Never, Never, Never, change
I'm still fucking wit crime cause crime pays
I'll never change
Out hustling, same clothes for days

I'll never change, I'm too stuck in my ways
Who you know like Hov
