

# Ya Mama

## The Pharcyde

Yo man you gotta be...you know  
You gotta be on to die man what's up with that?  
Yo bro shot  
Yeah, word up bro, shot  
Uh, we need some brothers to be, uh, like dropping knowledge  
And writing good stuff  
Hey man, why don't you quit talking all the stuff and do something about it?  
You know what I'm saying?  
Oh you talking about kick some, uh, knowledge  
Yeah well you do that like right now  
And some wisdom for the people  
What's up with that?  
OK, I got it

(Brothers and sisters)

[Booty Brown]

Ya mom is so fat (how fat is she?)  
Ya mama is so big and fat that she can get busy  
With twenty-two burritos, but times are rough  
I seen her in the back of Taco Bell with handcuffs  
The sad fact (what?) ya mama smokes crack (what?)  
She got a burning yearning and there's no turning back  
Her knuckles drag down to the ground when she walk  
Spit comes out that bitch mouth when she talk

Naked on a mountain top, tooting on a flizoot  
Riding on a horse drinking whiskey out a bizoot  
She's got the wings and teeth of an African bat  
Her middle name is Mudbone and on top of all that:

Ya mama got a glass eye with the fish in it [Repeat: x3]  
Ya mama, ya mama, ya mama

[Slim Kid Tre]

Ya mama look like she's been in the dryer with some rocks  
With the big bust nose sucking dirt out of socks  
Held up the ice cream truck with a slingshot  
She grabbed a bag of Cheese Corn and a soda pop  
Ya mama root'n'toot and stole my loot and my suit

She may have the muscles, but no, she's not cute  
She's not pretty, oh what a pity, got the glass titty  
Filled up with cool-aid, just for the kiddies

On a cliff butt naked, tooting on a flute  
Riding on a horse drinking whiskey out a boot  
She's got the teeth and the wings of an African bat  
Her middle name is Mudbone and on top of all that

Ya mama got the wooden legs with real feet [Repeat: x3]  
Ya mama, ya mama, ya mama

[Fat Lip]

Watch out, I'm thinking about your mother to a funky beat  
I went to your house, and she licked me on the cheek  
I said excuse me lady, but I remember seeing you at the Palladium  
Way back in September  
Cause you was beat-boxing for Lou Rawls  
In some bright red boxer drawers  
You said ya moms was pretty and young  
But she's old as dirt and got hair on her tongue

Ya moms, ya moms, she uses Brut  
And I saw her riding a horsey drinking whiskey out a boot  
She's got the wings and teeth of an African bat  
Her middle name is Mudbone, and on top of all that

Ya mama's got a peg leg with a kickstand [Repeat: x3]  
Ya mama, ya mama, ya mama

[Imani]

Aw, ya mom is so fat (how fat is she?)  
We rode up on her back to get some burgers from Wendy's  
And her skates went flat; I got stuck in her butt crack  
They thought I was lost but I was caught by the G-strap  
Heaven forbid a giant fart would give way  
'Cause that would blow me round the world in a day  
We drove into the drive-in and she didn't have to pay  
Because we dressed her up to look just like a Chevrolet

Naked on a mountain top tooting on a flizoot  
Riding on a horse, drinking whiskey out a bizoot  
With the wings and the teeth of an African bat, bat  
Her middle name is Mudbone and on top of all that

Ya mama's got an Afro, with a chin strap [Repeat: x3]

Ya mama, ya mama, ya mama

Ya mama got snake skin teeth  
Ya mama wears coat hangers for earrings, dude she looks like  
Ya mama was making sex threats to Ricky Bell and shit  
Ya mama jacked the cool-aid man for a sip, nigga  
Ya mama was walking down on Sunset with a 99 cent sign on her back  
(You're a sellout) ya mama's a sellout nigga ya mama  
Nigga ya mama did a pop tune nigga  
Ya mama's glasses are so thick she look into a map  
And see people waving at her  
Your mother got an Ouija board on her back  
Sidney with EQ and everything what he be saying  
His mother be hooked, fishing with a hook and reel at the frozen food section  
Tre's mama got Playdough teeth  
Ya mother be eating daisies like Now and Laters and shit  
Ya mama's an extra on the Simpson's and shit  
Ya mama's so fat you can't even see her legs  
It just looks like she's just gliding across the floor
