

The Walk

Mayer Hawthorne

So long you did me wrong
So long you did me wrong
Baby, what you're doing now, you're pissin' me off
Uh, but your hair is so luxurious and your lips are so soft
Anyway you slice it, uh, you're doing me wrong
But I love the way you walk now and your legs are so long.
Well your looks had me putty in your hand now
But I took just as much as I can stand now
And you can walk your long legs baby right out of my life
So long you did me wrong
Yeah you can walk your long legs baby right out of my life
So long you did me wrong
From the moment that I met you, I thought you were fine, so fine
But your shitty fuckin' attitude has got me changing my mind, yeah
Everybody tells me I need to let go, I know
But your cocoa butter skin now, has got me beggin' for more
Well your heels keep on runnin' through my head now

Tryin' to deal but I'm coming to the end now
And you can walk those high heels baby right out of my life
So long you did me wrong
Yeah you can walk those high heels baby right out of my life
So long you did me wrong
Tell me why, why do you turn the blue skies cloudy grey
You know why I can't let you keep treatin' me this way
You've been chuckin' me around but I kept my eyes shut
Because you're shaped like an hourglass, but I think the time's up
Well your heart is like a black piece of coal now
And I doubt that you ever had a soul now
And you can walk your cold heart baby right out of my life
So long you did me wrong
Yeah you can walk your cold heart baby right out of my life
So long you did me wrong
Just walk it out
So long you did me wrong
Leave me alone
