## Talk Tonight

## **Oasis**

Sittin' on my own, chewin' on a bone

A thousand million miles from home

When something hit me

Somewhere right between the eyesSleepin' on a plane, you know you can't complain

You took your last chance once again

I landed, stranded

Hardly even knew your nameI wanna talk tonight, until the mornin' light

'Bout how you saved my life

You and me see how we are

You and me see how we are All your dreams are made of strawberry, lemonade

And you make sure I eat today

You take me walking

To where you played when you were youngI'll never say that I won't ever make you cry

And this I'll say I don't know why

I know I'm leavin'

But I'll be back another dayI wanna talk tonight, until the mornin' light

'Bout how you saved my life

(You saved my life)

I wanna talk tonight

(I wanna talk tonight)

Bout how you saved my life

(I wanna talk tonight'Bout how you saved my life

(I wanna talk tonight)

'Bout how you saved my life

(I wanna talk tonight)

'Bout how you saved my life

(I wanna talk tonight)I wanna talk tonight

I wanna talk tonight

I wanna talk tonight
