

Undercover

Selena Gomez & the Scene

I look at you, and all I wanna do is just disappear (Oh-uh-uh-uh-oh-uh)
I got a craving for you, baby, can we get out of here (Oh-uh-uh-uh-oh-uh)
You're a sexy machine, you're a Hollywood dream.
And you got me feeling like a homecoming queen. Let's drop out of this crowd, somewhere no one's allowed.
I want yo-o-o-u, All to myself, I want you all to mysel-el-elf,
And nobody else, Yeah
You don't need no other lover, We can keep it undercover. Find me in the shadows,
And put the shades down until tomorrow.
And make sure that no-nobody follows, Yeah
You don't need no other lover, We can keep it undercover.
Oh yeah...
You don't need no other lover, we can keep it undercover
I wanna find a place where we can be alone in the dark (Oh-uh-uh-uh-oh-uh)
And you can navigate me like a map that you know by heart (Oh-uh-uh-uh-oh-uh) You're a sexy machine,
you're a Hollywood dream,
And you got me feeling like a homecoming Queen.
Let's drop out of this crowd, somewhere no one's allowed. I want yo-o-o-u
All to myself, I want you all to mysel-el-elf, And nobody else, Yeah
You don't need no other lover, we can keep it undercover.
Find me in the shadows,
And put the shades down until tomorrow.
And make sure that no-nobody follows, Yeah

Oh yeah...
You don't need no other lover, we can keep it undercover.
I wanna find a place where we can be alone in the dark

All to myself, I want you all to mysel-el-elf
And nobody else, Yeah
You don't need no other lover x3
We can keep it undercover
Oh yeah...
