

# Take A Tour

## Rev Run

Backlight, umm  
Gotta be 79, 80, maybe even 81  
But I thought it was 80, that's it  
Flash and Melle MelAiiyyo tips and toes and fly poses  
I resurrect and respect like I'm Moses  
Flows is boasts, 'Def' just like 'Mos' is  
And caked out like Rev just bought HostessRun got a rhyme designed like seven-nine was  
I come to flip the script and change time 'cause  
Go, here we go, here we, here we, here we made it  
I take it back 'fore flattops was faded  
Way before the laptop created  
But now it's on and back and y'all played itAnd you don't stop, it's the sure shot  
Francois see'est faux, Flashe' no deux  
And you don't stop, it's the sure shot  
Take a tour, take a tourAnd you don't stop, it's the sure shot  
Francois see'est faux, Flashe' no deux  
I said don't stop, do punk rockPlayed a game that couldn't last  
An ounce of memories from the past  
The life I thought, I wanted is todayAiiyyo back by choices and my voice is  
On point just like a Rolls Royce is  
Noises, boys is poison with toys  
Caked out and Run be the moistestRun got a rhyme designed like seven-nine was  
I come to flip the script and change time 'cause  
Go, here we go, here we, here we, here we nitro  
That nigga Run insure you like Geico  
I 'member Flash and Mel rocked the night, yo  
And back then them boys was like nitroAnd you don't stop, it's the sure shot  
Francois see'est faux, Flashe' no deux  
And you don't stop, it's the sure shot  
Take a tour, take a tourAnd you don't stop, it's the sure shot  
Francois see'est faux, Flashe' no deux  
I said don't stop, do punk rock
