

Line of Fire

The Veronicas

I love the way you say my name
Iâ€™m in a love sick daze
So wonâ€™t you stay?

Donâ€™t you try to deny, fight or hide
'Cause eyes donâ€™t lie, I see the signs

Standing in your line of fire (fire, fire)
Sorry, Iâ€™m a real bad liar (liar, liar)
You just blow me away (you just blow me away)
You just blow me away (you just blow me away)
You just blow me away

Going for the kill
You know you make me feel like a hunter
Going for the kill
You know you make me feel like a hunter

Itâ€™s insane, blame, a shame
I canâ€™t steal you away
Hey hey, what you say?
Letâ€™s escape

Standing in your line of fire (fire, fire)
Sorry, Iâ€™m a real bad liar (liar, liar)
You just blow me away (you just blow me away)
You just blow me away (you just blow me away)

Going for the kill
You know you make me feel like a hunter
Going for the kill
You know you make me feel like a hunter

Standing in your line of fire (fire, fire)
Sorry, Iâ€™m a real bad liar (liar, liar)
You just blow me away (you just blow me away)
You just blow me away (you just blow me away)
You just blow me away (you just blow me away)
You just blow me away
