

Situation

Go Back to the Zoo

Gonna looking for salvation
And I feel the good vibration
My eyes are selling you girl
I know exactly what I'm doing
And I don't feel the hesitation
Girl this is my situation Oeh! I need somebody! I got the tickets in my pocket
Oeh I'm a topper can you high up?
We're gonna feel the sweet sensation
Girl this is my situation Oeh! I need somebody!
And I said, oeh!
I need somebody! Girl I need someone that I could talk to
Oh a girl sometimes in a sorrow
I can't believe it
Ooooh-instrumental-She's gonna break your heart
You just want it sugar 4x
