

# Could It Be

## Tweet

Started out a boy that didn't know the game  
Didn't know the game  
But so many years I remained the same  
The same  
Used to be a love maker, heart breaker, major part player  
Never thought that my heart would ever change  
But since then I have grown to know this much  
What it really means to fall in love  
But I don't know how I know  
I just know baby you're the one for me  
Could it be, could it be that I'm falling in love with you?  
Tired of the same old thing  
Same old thing  
And playing all same old games  
And if I could trade one thing, all I need is change for you  
Boy I give anything, anything  
As a lil' girl I was taught, I was trained  
Never trust in a man 'cause they all are made the same  
But you came along and you brought out a lil' woman in me  
And it's all in the things you do, yea  
Never thought I'd be there with thought of loving you  
But I claim it and I name it  
Baby you're the reason I want a love brand new, yea  
Could it be?  
Could be  
That I'm falling in love with you?  
Tired of the same old thing  
The same old thing  
And playing all same old games  
If I could trade one thing, all I need is change for you  
Girl I'd give anything, I'd anything that I have for you  
See I never had someone to hold me quite this close, oh oh  
And out of everyone  
Of everyone I ever wanted seems like I want you the most  
I can't deny  
You got me so high  
I cant come down, baby  
Could it be that I'm falling in love with you?  
Tired of the same old thing  
Same old thing  
And playing all same old games  
And if I could trade one thing, all I need is change for you  
Boy I give anything, anything  
Could it be that I'm falling in love with you?  
Tired of the same old thing

The same old thing  
And playing all same old games  
If I could trade one thing, all I need is change for you  
Girl I'd give anything, I'd anything that I have for you
