Nine Times Out Of Ten

Teddy Pendergrass

Nine times out of ten
I'm falling inlove with you
Starting to need you more
As time goes by
Nine times out of ten
I'm falling inlove with you
Starting want you more
As time goes By
Since the day i met you
I feel so good inside
My world has come alive
Since i've known you, known you
I can't forget you
Your always on my mind
I've got this strong desire
To be near you
Nine times out of ten
I'm falling inlove with you
Starting to need you more
As time goes by
Wanna get to know you
I call you on the phone
I feel so all alone

Me here and you there
You gave my life reason
You make my puzzle fit
Oh i've got love to give
And i wanna give it to you
Nine times out of ten
I'm falling inlove with you
Starting to need you more
As time goes by
{Solo Instrumental}
I say nine times out of ten
I'm falling in love with you
Starting to need you more
As time goes by
Nine times out of ten

I'm falling inlove with you
Starting to need you more
as time goes, time go-oh-goes by-y-y-y
I say this time, this time
I'm falling inlove-love-love-love with you
I'm pretty sure i need you more
As time goes by
