

# Nine Times Out Of Ten

## Teddy Pendergrass

Nine times out of ten  
I'm falling inlove with you  
Starting to need you more  
As time goes by  
Nine times out of ten  
I'm falling inlove with you  
Starting want you more  
As time goes By  
Since the day i met you  
I feel so good inside  
My world has come alive  
Since i've known you, known you  
I can't forget you  
Your always on my mind  
I've got this strong desire  
To be near you  
Nine times out of ten  
I'm falling inlove with you  
Starting to need you more  
As time goes by  
Wanna get to know you  
I call you on the phone  
I feel so all alone

Me here and you there  
You gave my life reason  
You make my puzzle fit  
Oh i've got love to give  
And i wanna give it to you

Nine times out of ten  
I'm falling inlove with you  
Starting to need you more  
As time goes by

{Solo Instrumental}

I say nine times out of ten  
I'm falling in love with you  
Starting to need you more  
As time goes by  
Nine times out of ten

I'm falling inlove with you  
Starting to need you more  
as time goes, time go-oh-goes by-y-y-y  
I say this time, this time  
I'm falling inlove-love-love-love with you  
I'm pretty sure i need you more  
As time goes by
