

# Goodnight California

Kathleen Edwards

You know what I wish?  
It was just you and me  
Sitting in this corner bar  
You could tell me how your areBut I'm not gonna lie or anything  
You don't even have to speak  
If you keep looking at meAnd I could go all night  
But they're turning up the lights  
It would be so easy  
Do or say anythingAnd I'm not gonna lie  
I'm not looking for love  
I won't let you in my heart  
But you were always on my mind
