Sweet

Dave Matthews Band

Baby when I think about you
All I want to do
Be by your side
Take a little ride
Take a little
Baby you know I?m all about you
And all I want to do
Is take a little ride
Maybe get inside
Maybe get in
Mama told me boy
Someday that girls gonna take your mind
And then you?ll know
I never knew what I do now
I never knew what I do now
I love you, love you, love you, love you
You, you, you, you, you, you, you
Mama told me boy
Someday that girls gonna steal your mind
And then you?ll know
I never knew what I do now
I never knew what I do now
I love you, love you, love you, love you
You, you, you, you, you, you, you
Sour as my fingers
Dirty pick pocket
I can still taste you
I won?t wash my hands

Red is the color
Of the sun with my eyes closed
I can still taste you
And I will again
Woman please I'm in your possession
You are my obsession
Let me go down
Down, down, down, down, down, down, down
Dark little place she digs to go
Dark little place she digs to go

Dark little place she digs to go
Dark little place she digs to go
Mama told me boy
Someday that girls gonna take your mind
And then you?ll know
I never knew what I do now
I never knew what I do now
I love you, love you, love you, love you
You, you, you, you, you, you, you
Woman please I am your possession
You are my obsession
Let me go down
Down, down, down, down, down, down, down
mama told me boy
Someday that girls gonna steal your mind
