

# Club Banger

## Drumline Soundtrack

Dizzy, whoo  
We need a club banger, we need a club banger  
(Aha, fa sho)  
We need a club banger, okay, yo, yo  
I want a club banger, I want a club banger  
(Aha, fa sho)  
I want a club banger, okay, yo, yo  
We need a club banger, we need a club banger  
(Aha, fa sho)  
We need a club banger, okay, yo, yo  
I want a club banger, I want a club banger  
(Aha, aha)  
I want a club banger  
What's the dealy, my nigga?  
You feelin' this and all of my fellas pimpin' from the dirty south  
Out here to South Central, North Carolina up in here  
Y'all know what time it is, this rock the party  
Pass me some Belvedere, pass me a mic up here  
Take it to another level  
Focus, turn that beat up, give me bass with my treble  
Give me space for my fellas, yeah  
I brought the west coast  
Aftermath staff to the cotton picking south baby, whoo  
Baby Bubba, I done figured it out  
I stole the blueprints from the motherfucking government house  
Hurtin' 'em now, sit down nigga, tonin' it down  
And I ain't held a nigga hand since my daddy ran out  
What you know about not having to remix shit, aha  
If you made the original hot you wouldn't have to do that  
You mad at me, ain't y'all?  
I don't care, I ain't gon' change it, I'm real, I'm trill  
And this a motherfucking club banger  
We need a club banger, we need a club banger  
(Aha, fa sho)  
We need a club banger, okay, yo, yo  
I want a club banger, I want a club banger  
(Aha, fa sho)  
I want a club banger, okay, yo, yo  
We need a club banger, we need a club banger

(Aha, fa sho)  
We need a club banger, okay, yo, yo  
I want a club banger, I want a club banger  
(Aha, aha)  
I want a club banger  
Front page, read that boy, he done did it again  
Petey cheese steaks up with all that vinegar man  
Damn, how they went there, yeah  
I thought you knew that  
I bootleg my shit on the street and sell it myself  
Why you think I'm always grinning  
I stay a step ahead of these niggaz  
Motherfucker, I'm up on these niggaz  
Ain't tryin' to use it either, baby, I done revvin' it up  
I got a money bucket on me, and I'm a fill that bitch up  
So what if I wanna buy another car, yeah  
I wanna get another truck  
Ice my whole shit up, I can pay cash for it  
As long as y'all ask for it, I'm a show my ass on it  
I don't keep many spastics till the man put the tag on it  
Yeah, halt the class, Michael Jackson bag  
Good as some Sunday dinner country corn bread  
Dope like a west coast Cali hallway  
Give it like you wanna get it  
Ain't that what Dogg said, yeah  
We need a club banger, we need a club banger  
(Aha, fa sho)  
We need a club banger, okay, yo, yo  
I want a club banger, I want a club banger  
(Aha, fa sho)  
I want a club banger, okay, yo, yo  
We need a club banger, we need a club banger  
(Aha, fa sho)  
We need a club banger, okay, yo, yo  
I want a club banger, I want a club banger  
(Aha, aha)  
I want a club banger  
Carolina walk for me, walk for me  
(Yeah)  
Walk for me, walk for me, walk for me  
(Yeah)  
Walk for me, walk for me  
(Yeah, yeah)  
California walk for me, walk for me  
Walk for me, walk for me, walk for me

(Yeah, yeah)  
Walk for me, Petey, yeah  
I know you want it, I know you want it  
I know you need it, I know you need it  
I had to do it, tell 'em why  
You love Petey, Petey, yeah, and what I do to beats, yeah  
I'm a genius, yeah, give me the right producer, yeah  
You'll get ya one of these, yeah, I make ya move your feets, yeah  
I tear the club to pieces, hot lights  
The Cara sun, heater heats, mama fried, chicken grease  
Drumstick, breasts and thighs  
Bring out the paper plates, everybody eating me now  
We need a club banger, we need a club banger  
(Aha, fa sho)  
We need a club banger, okay, yo, yo  
I want a club banger, I want a club banger  
(Aha, fa sho)  
I want a club banger, okay, yo, yo  
We need a club banger, we need a club banger  
(Aha, fa sho)  
We need a club banger, okay, yo, yo  
I want a club banger, I want a club banger  
(Aha, aha)  
I want a club banger  
Uh, give it to 'em, Petey, yo
