Anyone Can Make a Mistake

Wedding Present

When I set foot upon the bus you laughed
And said, "That's the end for us"
Oh could a joke ever go more wrong?
If only you'd have come alongOh but you must stop calling Jane
She is completely without blame
Do you have to ring her up so soon?
That's rubbing salt into these woundsA little bit of what you fancy
Doesn't do you any good at all
Oh I know that nowI can't add to what I've said
I just completely lost my head
Do you want me here when you start to pack?
And are you leaving just like that?Have you taken all you want?
Is that it? Have you really gone?
What can I say to change you mind?
There'll never be another timeA little bit of what you fancy
Doesn't do you any good at all
It's so clear to me now
