

The Heretic

Possessed

It is thy heritage
To pule the world
Sent to defile
From BelialRevelation
Unorthodox
Atheists
Is so mystic
Fall to the abyss of hell
Only the weak will not rebel
The prophesies that I will tell
Will make you sell your soul to HellTie the knots
With Satan's twine
Necronomicon will be mineTo be immortal
Desires of sin
Secretly
You hold withinRule the world with an iron fist
Heavens above will non-existSo foolish your exorcist
Don't deny my hereticIt is thy heritage
To pule the world
Sent to defile
From BelialRevelation
Unorthodox
Atheistic
Is so mystic
Fall to the abyss of hell
Only the weak will not rebel
Prophesies that I will tell
Will make give your soul to sell
