

Toy

Block B

[ZICO]Who cares about my emotions
You can play with me until you're sick of me
You can break me if that's what you want
Because I'm a toy, toy[KYUNG]When I'm no longer useful you would secretly throw me away
If only I can be remembered
Even just a little bit
Everything, I do it for you
I'm a toy, toy...[UKWON]When are having a heartfelt conversation
It would be after you've caressed me
That you'd smile[JAEHYO]Soon I will be put in the corner
But my fate is in your hands[KYUNG]Girl use me while you can
I'm all yours[TAEIL]I don't want anything more from you
If i can see you filling with me
I can give it all to you, will you take it all from me
If love is a joke, then use me ruthlessly[ZICO]Now you know, all you need is me
I'm your toy, I'm your toy, I'm your toy
If love is a joke, then use me ruthlessly[P.O]"What am I to you?"
Am I being too greedy by even asking this question
To you, I gave everything I had and everything I didn't have
But I feel like having the slightest expectation is undeserving of me
I can't take one step out of your world anyway
All I need is for our relationship to be remembered beautifully and displayed in an aisle of your memories
When your mind is quiet, you will discover me
It might have been smart of me to love like a fool instead[B-BOMB]I can't tell you anything
My silent lips
Already wrote several letters to you[UKWON]To you I'm probably a light sadness
But I still want you to hurt[KYUNG]Girl use me while you can
I'm all yours[TAEIL]I don't want anything more from you
If i can see you filling with me
I can give it all to you, will you take it all from me
If love is a joke, then use me ruthlessly[ZICO]Now you know, all you need is me
I'm your toy
We cannot be equal[KYUNG]Because you are the only one for me and to you I am one of many[ZICO]Now I
am as devoted to you as I can be without crossing the line[KYUNG]And I end the story that we didn't even get
to start[ZICO]It was like a burning candle before a wind
And how my tears fall as much as I wanted you[KYUNG]If I stop running I will most certainly fall
Will you please walk with me at least once[TAEIL]I don't want anything more from you
If i can see you filling with me
I can give it all to you, will you take it all from me

If love is a joke, then use me ruthlessly[P.O]Now you know, all you need is me
I'm your toy, I'm your toy, I'm your toy
If love is a joke, then use me ruthlessly
