

# Bite The Bullet

## Mover

YaI understand your every, fear  
Your every pain your every, tear  
With every struggle you conquer  
    Turn heart to steel  
And will to ironYou want more?  
    You'll get it  
    Determined ferocious  
    (What?)  
    Grit down and bite the bullet  
    When dare to unbind  
Smash and redefineThe hate you feel is nothin', more  
    Than love you feel to win this, war  
    This battle that rages inside you  
    With bloodlust  
You must unchain your shacklesYou want more?  
    You'll get it  
    Determined ferocious  
    (What?)  
    Grit down and bite the bullet  
    When dare to unbind  
Smash and redefineLion hearts  
    Never give in  
    Unsatisfy  
    Every weakness  
    Lion hearts  
    Never give in  
    (Now)  
    Unsatisfy  
    (Fy)  
Every weakness showYou want more?  
    You'll get it  
    Determined ferocious  
    Grit down and bite the bullet  
    When dare to unbind  
    Smash and redefine
