

# Baby One More Time

## Black Ingvars

Oh baby, baby  
How was I supposed to know  
That somethin' wasn't right?  
Oh baby, baby  
I shouldn't have let you go  
And now you're outta sight  
Show me how you want it to be  
Tell me baby 'cause I need to know now  
Oh because  
My loneliness is killin' me  
I must confess I still believe  
When I'm not with you I lose my mind  
Give me a sign, hit me baby one more time  
Oh baby, baby  
The reason I breathe is you  
Now, boy you got me blinded  
I bet you baby  
There's nothing that I would not do, no  
It's not the way I planned it  
Show me how you want it to be  
Tell me baby 'cause I need to know now

Oh because  
My loneliness is killin' me  
I must confess I still believe  
When I'm not with you I lose my mind  
Give me a sign, hit me baby one more time  
Oh baby baby, oh baby baby  
Oh baby, baby  
How was I supposed to know  
Oh baby, baby  
I shouldn't have let you go  
I must confess that my lonliness is killing me now  
Don't you know I still believe?  
That you will be here and give me a sign  
Hit me baby one more time  
My loneliness is killin' me  
I must confess I still believe  
When I'm not with you I lose my mind

Give me a sign, hit me baby one more time  
I must confess that my lonliness is killing me now  
Don't you know I still believe?  
That you will be here and give me a sign  
Hit me baby one more time
