Englishman in New York (OST Doctor Who)

Sting

I don't drink coffee I take tea, my dear I like my toast done on one side And you can hear it in my accent when I talk I'm an Englishman in New YorkYou see me walking down Fifth Avenue A walking cane here at my side I take it everywhere I walk I'm an Englishman in New YorkWhoa, I'm an alien I'm a legal alien I'm an Englishman in New York Whoa, I'm an alien I'm a legal alien I'm an Englishman in New YorkIf manners maketh man as someone said He's the hero of the day It takes a man to suffer ignorance and smile Be yourself no matter what they sayWhoa. I'm an alien I'm a legal alien I'm an Englishman in New York Whoa. I'm an alien I'm a legal alien I'm an Englishman in New YorkModesty, propriety can lead to notoriety But you could end up as the only one Gentleness, sobriety are rare in this society At night a candle's brighter than the sunTakes more than combat gear to make a man Takes more than a license for a gun Confront your enemies, avoid them when you can A gentleman will walk but never runIf manners maketh man as someone said He's the hero of the day It takes a man to suffer ignorance and smile Be yourself no matter what they say Be yourself no matter what they say
