

True Life

LeMarquis

baby you're one in a million
i just met you at a party
why don't you try to kiss me
don't you feel all alone ?i found you, i found you in the street,
you were dancing on your own don't you know me ?I like the way you're moving
like the last time i had a dream
you were in the city
it was late and the sun was sleeping'I kissed you, i kissed you on the lips,
on the cheeks like a kid in a gardenthis time this time
the dream is not so over
this time yeah this time
my mind is not so blindbaby, it's like the rst time
