Arms

Christina Perri

I never thought that you would be the one to hold my heart
you came around and you knocked me off the ground
from the start
You put your arms around me
And i believe that its easier for you to let me go
You put your arms around me and Im home
How many times will you let me change my mind and turn around
i cant decide if Ill let you save my life or if Ill drown

I hope that you see right through my walls
I hope that you catch me cause Im already falling
Ill never let our love get so close
You put your arms around me and im home

The world is coming down on me and I cant find a reason to be loved
I never wanna leave you but I cant make you bleed if Im alone

You put your arms around me an Im home
And I believe that is easier for you to let me go

I hope that you see right through my walls
I hope that you catch me cause Im already falling
Ill never let our love get so close

You put your arms around me and Im home

You put your arms around me and Im home
