Walk

Foo Fighters

A million miles away
Your signal in the distance
To whom it may concern
I think I lost my way
Getting good at starting over
Every time that I return
Learning to walk again
I believe I've waited long enough
Where do I begin?
Learning to talk again
Can't you see I've waited long enough
Where do I begin?
Do you remember the days
We built these paper mountains
Then sat and watched them burn
I think I found my place
Can't you feel it growing stronger
Little conquerors
Learning to walk again
I believe I've waited long enough
Where do I begin?
Learning to talk again
I believe I've waited long enough
Where do I begin?
Now
For the very first time
Don't you pay no mind
Set me free again

You keep alive a moment at a time
But still inside a whisper to a riot
To sacrifice but knowing to survive
That first decline another state of mind
I'm on my knees, I'm praying for a sign
Forever, whenever
I never wanna die
I never wanna die
I never wanna die
I'm on my knees

I never wanna die
I'm dancing on my grave
And running through the fire
Forever, whatever
I never wanna die
I never wanna leave
I'll never say goodbye
Forever
Whatever!
Forever
Whatever!!
Learning to walk again
I believe I've waited long enough
Where do I begin?
Learning to talk again
Can't you see I've waited long enough
Where do I begin?
Learning to walk again
I believe I've waited long enough
Learning to talk again
Can't you see I've waited long enough
