

Life's A Dance

Clay Walker

When I was fourteen I was falling fast
For a blue eyed girl in my homeroom class
Trying to find the courage to ask her out
Was like trying to get oil from a waterspout
What she would have said I can't say
I never did ask and she moved away
But I learned something from my blue eyed girl
Sink or swim you gotta give it a whirl
Life's a dance you learn as you go
Sometimes you lead, sometimes you follow
Don't worry about what you don't know
Life's a dance you learn as you go
The longer I live the more I believe
You do have to give if you want to receive
There's a time to listen, a time to talk
And you might have to crawl even after you walk
Had sure things blow up in my face
Seen the longshot, win the race
Been knocked down by the slamming door
Picked myself up and came back for more
Life's a dance you learn as you go
Sometimes you lead, sometimes you follow
Don't worry about what you don't know
Life's a dance you learn as you go
Life's a dance you learn as you go
Sometimes you lead, sometimes you follow
Don't worry about what you don't know
Life's a dance you learn as you go
Life's a dance you learn as you go
Sometimes you lead, sometimes you follow
Don't worry about what you don't know
Life's a dance you learn as you go
Life's a dance
Life's a dance
Take a chance on love
Life's a dance
You learn as you go
