

# Crystal Blue Persuasion

## The Heptones

Look over yonder  
What do you see?  
The sun is a'rising  
Most definitely

A new day is coming  
Ooh ooh  
People are changing  
Ain't it beautiful  
Crystal blue persuasion

Better get ready  
To see the light  
Love, love is the answer  
Oooh ooh  
And that's all right

So don't you give up now  
So easy to find  
Just look to your soul  
And open your mind

Crystal blue persuasion  
Mmm, mmm  
It's a new vibration  
Crystal blue persuasion  
Crystal, blue persuasion

Maybe tomorrow  
When he looks down  
On every green field  
And every town  
All of his children  
And every nation  
They'll be peace and good brotherhood

Crystal blue persuasion  
Yeah  
Crystal blue persuasion  
Aha

Crystal blue persuasion  
Aha  
Crystal blue persuasion  
Aha  
Ohhhh  
Crystal blue persuasion  
Aha
