Mary belongs to the words of a song
I try to be strong for her, try not to be wrong for her
But she will not wait for me anymore, anymore
Why did I say all those things before I was sure?(She is the one)

But I have a purpose

(She is the one)

And I have to fight this

(She is the one)

The villain I can't knock downI see your face with every punch I take
And every bone I break, it's all for you

And my worst pains are words I cannot say

Still I will always fight on for youMary's alive in the bright New York sky

The city lights shine for her, above them I cry for her

Everything's small on the ground below, down below

What if I fall, then where would I go, would she know?(She is the one)

All that I wanted

(She is the one)

And I will be haunted

(She is the one)

This gift is my curse for nowI see your face with every punch I take

And every bone I break, it's all for you

And my worst pains are words I cannot say

Still I will always fight on for youI see your face with every punch I take

And every bone I break, it's all for you

And my worst pains are words I cannot say

Still I will always fight on for youI see your face with every punch I take

And every bone I break, it's all for you

And my worst pains are words I cannot say

Still I will always fight on for you

Fight on for you

Fight on for you
