Telling Lies

Ballin' Jack

Telling lies
Gorgeous girls are bound to meet
To talk of stars and kings and feet
Through the chromosomes of space and time
Me I'm fast like bad infection
Gasping for my resurrection
Swear to me in times of war and stress
Telling lies
Telling lies
Telling lies
Telling lies
Telling lies
(Ooh ah visionary ooh ah visionary)
Telling lies
(Feels like something's gonna happen this year)
(Oh oh oh oh)
Telling lies
(Ooh ah visionary ooh ah visionary)
Telling lies
(Feels like something's gonna happen this year)
(Oh oh oh oh)
Telling lies
Shadow falls in shrinking smiles
See me poised at the happy games
Standing in the mouth of all that's pure
Come straggling in your tattered remnants
You come to me with tears and blame, I'm your future
Ask tomorrow, I am the end
Telling lies
Telling lies
Telling lies
Telling lies

Telling lies
(Ooh ah visionary ooh ah visionary)
Telling lies
(Feels like something's gonna happen this year)
(Oh oh oh oh)
Telling lies

(Ooh ah visionary ooh ah visionary)
Telling lies
(Feels like something's gonna happen this year)
(Oh oh oh oh)
Telling lies
Telling lies
Ooh ah oh
Ooh ah oh
Ooh ah oh
Feels like something's gonna happen this year
(Oh oh oh oh)
Oh ah
(Telling lies)
Feels like something's gonna happen this year
(Oh oh oh oh)
Oh ah
(Telling lies)
Feels like something's gonna happen this year
(Oh oh oh oh)
Oh ah
(Telling lies)
Oh ah
Oh ah
(Telling lies)
Feels like something's gonna happen this year
Oh ah
(Telling lies)
