

# What A Feeling

Alex Gaudino

I, I wasn't even searching for love  
That's usually right when it creeps up on you  
And I know, in my heart it's true  
Oh yeah?  
Boy you got my attention, what's up?  
My heart is beating  
Your screaming got me open so much  
I think I'm dreaming  
Got my hands way up  
I surrender to love  
[Estrillo]What a feeling  
To let it all go  
What a feeling  
I'm losing control  
What a feeling  
Feels like I'm on top of the world

I used to think I'd never fall in love  
It's like my favorite star  
I used to stare at every night  
Came down from the sky  
Oh yeah?  
When I love the way you touch  
My heart is beating  
Boy I just can't get enough  
You got my speechless  
Got my hands way up  
I surrender to love  
[Estrillo]What a feeling  
To let it all go  
What a feeling  
I'm losing control  
What a feeling  
Feels like I'm on top of the world
