

Trav'lin' All Alone (Nikodemus & Zeb Remix)

[Billie Holiday](#)

I'm so weary and all alone
Feel tired like heavy stone
Travelin', travelin' all alone
Who will see and who will care Bout this load that I must bear
Travelin', travelin' all alone
Prayers are said to heaven above
'Bout my burdens, woes and love Head bowed down with misery
Nothing now appeals to me
Travelin', travelin' all alone Give me just another day
There's one thing I want to say
Friends are well when all is gold
Leave you always when you're old
Trav'lin', trav'lin' all alone
