Nights Of Arabia

Kamelot

Came across the waters, a kingdom in the sands
Unfaithful to the sultan, a killing was at hand
Challenged to survival, a legacy of fear
Eternal mystic legends, one for every tear
Nights of Arabia, the queen has lost her right to life
Nights of Arabia, her destiny in story lines
Nights of Arabia, a thousand tales and one for life
These are nights of Arabia
Whispers in the moonlight, a gathering of vales
Circled 'round the fire to hear this evening's tale
Standing on the threshold, the crest of darkened nights
Seduction of the hunter, the slave regains her might
Lost inside a shadow, erase the sins I've made
Heavenly reward me with mercy on my fate
Nights of Arabia, the queen has lost her right to life
Nights of Arabia, her destiny in story lines
Nights of Arabia, a thousand tales and one for life
These are nights of Arabia, Sheherazade will never die

The sultan relents his feeble heart
His love for the queen
Is greater than he'll ever know
It's easy to let you feed my nights
Someone to touch, someone to hold
Someone to feel, someone to love
Here I am to die alone, voices from heaven above
Hear my call, awaken my soul, forgive me for what I have done
Challenged to survival, a legacy of fear
Eternal mystic legends, one for every tear
Lost inside a shadow, erase the sins I've made
Heavenly reward me with mercy on my fate
Nights of Arabia, the queen has lost her right to life
Nights of Arabia, her destiny in story lines
Nights of Arabia, a thousand tales and one for life
These are nights of Arabia, Sheherazade will never die
