Don't Run

Bad Veins

I've known you for a long time
But I can't go taking your side
You can try to play my heartstrings
You can try just about anythingYou might not want to see it
But that won't stop you from being it
Is this going to be a problem?
'Cause I'll make it my problemDon't run
I know it's harder to stay
There is no easier way
To face the mess we've madeDon't run
I know it's harder to stay
There is no easier way
To face the mess we've madeYou say you don't like living here
But your reason's never really clear
Maybe you don't know what to do.
I'd be poor as hell if I were you.You might not wanna see it
But that won't stop you from being it
Is this gonna be a problem?
'Cause I'll make it my problemDon't run
I know it's harder to stay
There is no easier way
To face the mess we've madeDon't run
I know it's harder to stay
There is no easier way
To face the mess we've madeDon't run
I'm not so sure this city is too big to outgrow
So when you turn around you knowDon't run
I know it's harder to stay
There is no easier way
To face the mess we've madeDon't run
I know it's harder to stay
There is no easier way
To face the mess we've made
