

# Lady Bird (w Lee Hazlewood)

Nancy Sinatra

I've been where the eagle flies  
Rode his wings 'cross autumn skies  
Kissed the sun, touched the moon  
But he left me much too soon.  
His lady bird  
He left his lady bird Lady bird come on down  
I'm here waiting on the ground  
Lady bird I'll treat you good  
Aw, lady bird I wish you would.  
You lady bird  
Pretty lady bird Lightning flashed across the sky  
The night he taught me how to fly  
The sun came up and then I found  
Too soon he let his lady down.  
His lady bird  
I'm his lady bird Lady bird come on down  
I'm here waiting on the ground  
Lady bird I'll treat you good  
Aw, lady bird I wish you would.  
You lady bird  
Pretty lady bird Winter lives in my heart  
In the times we're apart  
Summer sings a song or two  
When he says "I love you true".  
My lady bird  
Yeah, I'm his lady bird Lady bird come on down  
I'm here waiting on the ground  
Lady bird I'll treat you good  
Aw, lady bird I wish you would.  
You lady bird  
Pretty lady bird (I'm your lady bird)  
You're a lady bird (Yes, I'm a lady bird)  
You're too much you little bird.
