

Lost and Found

Gang of Thieves

Walking down with my eye to the sky
And a mind of pure emotion
Not a care in the world and
It sure is a symbol of devotion
Another mile with a smile Iâ€™m alive
With a vision to be spoken
Living on and on and on and on
I know where I belong

Hey
Under the thunder I wonder whatâ€™s coming my way
Let it out, let it out
Hey
The ocean of motion I ride with the hope I can stay
Let it out let it out

Come on down to the ground
Where the sound is a pulse of our creation
What a crown that I found
Looking out at the voice of another nation
Finally thereâ€™s a me walking free
Itâ€™s a one man operation
Living on and on and on and on
I know where I belong

Complacent memories
Are back to wander
My mind eternally
But I donâ€™t give a SHIT.

Câ€™mon!

Hell yeah!
Give it to me now
I said Hell yeah!

Hey
Under the thunder I wonder whatâ€™s coming my way
Let it out, let it out
Hey

The ocean of motion I ride with the hope I can stay
Let it out, let it out until ya freak out
