

# Mama Africa(Remix)

## Akon

So much so much love  
So much  
So tell me can you feel it?  
So much so much yeah  
You know  
Then make that visit  
So much so much love  
So much  
Senegal can you feel it?  
So much so much yeah  
So much So much love to share  
Pure blackness, wantness is so rare  
So much love to care  
Let them know they're missin' out  
Mama Africa  
So much love to share  
Sweet blackness, oneness  
Meet me there  
So much love to care  
Let them know they missin' out Sing again  
A  
This is for all the love  
And the life took away  
F  
Don't forget we were bought and trade  
R  
ripped from the land and shipped away  
I  
Is the inspiration we use to survive  
C  
Have to see it with your own cries  
A  
No play add it up and arrive Still you don't know  
The land is so gold and green  
The place is so fresh and clean  
And everyday I water my garden  
Tell me if you feel it deep in your heart  
This place is so cool and nice  
Visit once, guaranteed to visit twice

And if you just believe in the most high  
I know you'll be all right So much love to share  
Pure blackness, wantness is so rare  
So much love to care  
Let them know they're missin' out  
Mama Africa  
So much love to share  
Sweet blackness, oneness  
Meet me there  
So much love to care  
Let them know they missin' out A  
That's my favorite place when I need to get away  
F  
Must forget but we can't forget to pray  
R  
Like Lance ridin' on the runway  
I  
In my homeland and I'm feelin' so alive  
C  
Imagine Africa unite  
A  
Gonna accept mass alright Still you don't know  
Skin is so dark and brown  
She lifts me right off the ground  
But no you not gonna see it on you TV  
So just listen up and believe me  
Her trees have the only cure  
Her love is so new and pure  
Had to kiss them troubles goodbye bye  
No I don't have to lie  
mama Africa, unite So much love to share  
Pure blackness, wantness is so rare  
So much love to care  
Let them know they're missin' out  
Mama Africa  
So much love to share  
Sweet blackness, oneness  
Meet me there  
So much love to care  
Let them know they missin' out So much so much love  
So tell me can you feel it  
So much so much  
Then make that visit  
So much so much love  
Senegal can you feel it

So much so much  
Ow!  
So much love to share  
I just can't see how we're livin' without it  
So much love to care  
Don't miss don't miss one moment about it  
So much love to share  
Resist this bliss though I really doubt it  
So much love so much love to share  
Oh yeah So much love to share  
Pure blackness, wantness is so rare  
So much love to care  
Let them know they're missin' out  
Mama Africa  
So much love to share  
Sweet blackness, oneness  
Meet me there  
So much love to care  
Let them know they missin' out
