

# Lala Khai

## Kwesta

ey  
when the sun shine brights  
and the birds sing into me  
when the sky is smiling  
thts the picture of you  
when the moonlight  
breeds no life to a spring evening  
n i jus feel peace  
watching you sleep  
knwing you're dreamin....  
Hey baby my sweet babe!!! I just wanna teach you how to love
