

Heaven

Inna

I wanna feel your hands all over my body
So pull me in closer, 'cause I need you tonight, yeah
Feel my heart beating, now I'm breathing for more
Am I flying or falling in your arms? Inside of me the fire breathes
And in the dark we keep on holding on
We're holding oooon
Inside of me the fire breathes
And in the dark we keep on holding on
We're holding oooon [Hook] Ooh ooh ooh ooh oh
Ooh ooh ooh ooh oh When you look at me are you reading my mind?
Every time we get closer, do you see what I hide?
Yeah, it tastes like Heaven when I'm kissing your lips
Yeah, I can't get no higher than this Inside of me the fire breathes
And in the dark we keep on holding on
We're holding oooon
Inside of me the fire breathes
And in the dark we keep on holding on
We're holding oooon [Hook] Ooh ooh ooh ooh oh
Ooh ooh ooh ooh oh [French verse:]
Alors, comment ca va?
Je pense au ce soir
Oh tout le jour et nuit perdu pour toi
On fait tout cette roulette
Tu me fait touche le ciel
Laisser tombe la pluie, ecoute-moi
Et tout le monde ca pour moi [Hook] Ooh ooh ooh ooh oh
Ooh ooh ooh ooh oh
