Army Of The Dead, Part I

Manowar

Raise thy weapons on this day,
Ye shall not die alone.
Fight and die, let valkyries fly,
For they shall take thee home!I promise thee that on this night,
Ye shall be by my side!
Asgard's halls await with heroes: brothers,
That have died.For thee we wait at asgard's gate;
Come join us by our side!
Valhalla waits, so choose thy fate,
For all of us must die!
