

Feel So Good

Ashanti

Hey baby baby may I have a word with you
I been watchin' you from over here
I been wondering if I can get to know you
I think you got what I want and all I'm askin' for
So baby could you spend some time
Bet I can find a way to make ya mine
Oh my baby, who you drive me crazy
I can't even ask for more cause boy
I think you got it all
Oh my baby, who you drive me crazy
I can't even ask for more cause boy
I think you got it all
Ooo you make me feel so good
I'll do what you ask me to
Ooooh you make me feel so right
Every day and every night
Ooo let me tell you how much
I'm in love with you

From the moment that I saw ya face
I never ever thought about you being replaced
I know that I found the guy that I been looking for
I threw my other numbers out the door
'Cause I know I don't need them anymore
Oh my baby, who you drive me crazy
I can't even ask for more cause boy
I think you got it all
Oh my baby, who you drive me crazy
I can't even ask for more cause boy
I think you got it all
Ooo you make me feel so good
I'll do what you ask me to
Ooooh you make me feel so right
Every day and every night
Oooo you make me feel so good
I'll do what you ask me to
Ooooh you make me feel so right
Every day and every night
